

# SPECIALTY FABRICS WARRANTY

The following goods have specific timeframes for when they are covered by the limited warranty as described herein this warranty document. This warranty is extended only to the original purchaser of the material.

Tempotest® specialty fabrics are protected by our limited warranty which exclusively covers abnormal and excessive color degradation and loss of sun screening capability due to normal sun, salt and weather exposure. This does not include damage due to circumstances beyond one's control (e.g., fire, flood, air pollution), damage caused by mechanical actions, abuse or improper installation. This warranty also does not cover normal care and cleaning, or the costs associated with replacement of the fabric, including labor and installation.

If our Tempotest® fabrics do not meet the performance outlined above, Pará will resolve the issue for approved claims as outlined below:

**10-YEAR**
