Tempotest Awning Binding Tape is 100% acrylic and is color coordinated with the Tempotest line of awning and marine fabric. It has a fine, soft hand and is available in a wide range of colors. Tempotest Awning Bindings are suitable for use with any awning and marine fabric.

This binding has the same solution-dyed construction as the Tempotest fabric, providing excellent exposure resistance to sun and atmospheric contents, as well as the actions of molds, micro-organisms, and salt.
